Final Payment: - For wedding cakes the final payment is due at **two months FOR ORDERS OVER £400 before delivery date**, either by paypal, credit card, bank transfer or cash. UNDER £400 ONE MONTH BEFORE

### Wedding Cake Cancellations:

Due to having to acquire certain components for our wedding cakes and order these months in advance it is necessary to implement the following conditions when a wedding cake order is cancelled, please also take in to consideration that its very unlikely we will be able to find another booking for the date especially during peak/high wedding season.

- If you have paid the full balance a 50% refund is applicable if cancelling up to 90 days of your wedding date, **cancelling within 90 days the full balance or any deposit payments made to date are non-refundable** as it unlikely I will get another booking to cover the booking cancelled.

**Relevant wedding insurance cover should be in place to cover any losses made due to cancellation.**

Wedding Cake cancellations must be made in writing via email or post.

### Wedding Cake Sponge Tiers:

If you require your wedding cake to be created with any sponge tiers, we recommend that the sponge tiers are cut and be consumed on the day to ensure they are as fresh as possible, we do not add any preservatives or additives to our wedding cakes to prolong shelf life.

My sponge tiers are very similar to a Victoria sponge cake I do not use a heavy based Madeira sponge.

If you would like to keep your cake longer the best way to preserve this is by wrapping and then freezing either on or the day after your wedding day and following your freezer guidelines on storage.

Fruit cakes stored correctly, wrapped in an airtight container can keep up to 1 month.

For fruit cakes these are purchased from Sweet success bakery I do not make these due to the lack of demand for them now. I can provide samples of fruit if required.

### When do I cut and consume my cake:

Your wedding cake is designed and baked to be cut and consumed while at its best on your wedding day, please do not leave them for long periods of time after your wedding. I cannot take ANY responsibility for cakes that are left and not cut for over 2 days after you wedding day, I have no control over the environment/conditions they are kept in or have been kept in the day, wedding venues can be hot and have a lot of humidity therefore can cause food products to sweat.

I only have a very short window of time from the moment I bake to icing and decorating the cake to then delivering the cake, the cake should be consumed on the day or the day after at the very latest.

### Delivery:

Local delivery within a 5 miles radius of our premises will be free. If delivery is required outside this radius, we will provide a quotation.

If times clash with another wedding setup arrangements will be made to have the cake delivered by another person, in some cases stacked cakes may be delivered the day before the wedding day to the venue for the venue to put out on the day (arranged only with permission from the bride and groom and the venue)

### Wedding Cake Stands or Bases:

We supply our wedding cake bases and Cupcake stands FREE TO HIRE £50 refundable deposit IS REQUIRE PER STAND, our stands and bases are used by many couples and should be returned to us within FIVE days of your wedding date,. Please note if you require the stand to be collected either from yourself or the venue ) **I DO NOT COLLECT STANDS FROM VENUES. DO NOT LEAVE THE STAND AT THE VENUE.**

A COLLECTION CHARGE THERE AND BACK TO THE VENUE TO COLLECT THE STAND WILL BE CHARGED IF I HAVE TO COLLECT THE STANDS FROM THE VENUE THIS WILL BE TAKEN FROM YOUR DEPOSIT.SO MILAGE THERE AND BACK PLUS HOURLY RATE IS CHARGABLE.

### Cake Components:

From time to time certain components for our wedding cakes will become unavailable or obsolete and may have to be replaced, this is totally out of our control, however we will replace these with components of equal or better quality and we reserve the right to do this without consultation.

### Special Offers:

Cupcakes Forever reserve the right to halt any special offers or promotions at any time.

**Damages:**

All of our cakes are sent in perfect condition, we don't send our wedding cakes by courier.

Our tiered wedding cakes are set and secured once at the venue we have no control over the cake or what happens to it, therefore we cannot accept liability if the cake is knocked over or damaged in any way, we always take photos of the cake setup at the venue, and recommend that once in place the cake or cupcake tower is not moved in anyway until the cake is to be consumed.
